Docket No. 1:20-cv-11063-SHS  
RR File No.: 420-8

Dear Judge Stein:

This firm represents Plaintiffs Alkem Laboratories Ltd. and Ascend Laboratories, LLC in the above-referenced matter. Pursuant to Rule 1.E of the Court's Individual Practices, we write to request an adjournment of the initial pretrial conference currently scheduled for February 19, 2021, for sixty days to April 20, 2021. This is Plaintiffs' first request to adjourn the initial conference.

On December 30, 2020, the day we filed the Complaint, we sent a request for a waiver of service to Defendant Deva Holdings A.S. Because Defendant is a Turkish entity, its response is not due until February 28, 2021, nine days after the current date set for the initial conference. We therefore respectfully request that the conference be adjourned for sixty days to give Defendant sufficient time to respond to the waiver request or, if Defendant does not waive service, to give us time thereafter to serve process on Defendant in Turkey.

We attempted to obtain Defendant's consent to this motion but have not yet received a response.

We thank the Court for its consideration in this matter.

Respectfully submitted,

RIVKIN RADLER LLP
